Graphic and brand designer with 6+ years of experience creating cohesive brand experiences across packaging, campaigns, exhibitions, and digital platforms. I specialize in transforming business objectives into meaningful visual systems, balancing strategic thinking with refined execution. My approach combines brand storytelling, user empathy, and cross-functional collaboration to create work that is both commercially effective and visually compelling.

Airbnb Australia Pty Ltd

Sydney, NSW, Australia • Full-time

as a Graphic Designer (May 2018 - Nov 2018)

- Contributed to the development of creative and editorial design projects, ensuring consistency with Airbnb's global brand guidelines across the Australian market.
- Designed and localized advertising and promotional campaign assets tailored to the Australian market, helping strengthen brand awareness and engagement with local audiences.
- Created a wide range of visual assets and marketing materials to support local campaigns, partnerships, and brand initiatives across Australia.
- Collaborated with cross-functional teams to deliver creative materials that effectively communicated Airbnb's brand and resonated with Australian audiences.

Self-employed

as a Graphic Designer (2019 - 2022)

- Spearheaded creative direction and brand imagery design for a newly launched brands.
- Led the overall brand atmosphere direction, ensuring consistency and cohesiveness.
- Developed key visual designs, incorporating strategic business messages to drive impact.
- Directed and guided creative aspects of publishing projects to achieve compelling results.
- Provided expert branding and visual advice, catering to the unique needs of individual artists.

Lbiz Korea Co., Ltd.

Seoul, South Korea • Full-time

as a Graphic Brand Designer (Sep 2022 - Dec 2024)

- Directed publication design with a global audience, ensuring compelling visual communication.
- Developed international campaign designs catering to both domestic and global markets, achieving widespread impact and resonance.
- Provided expert brand imagery and creative direction for large-scale projects hosted and sponsored by the South Korean government.
- Produced exceptional key visuals for prestigious international events, reflecting a high level of professionalism and creativity.

CHRISnDAVE Co., Ltd.

Seoul, South Korea • Full-time

as a Brand Design Lead (Dec 2024 - May 2025)

- Developed and established brand identity through the planning of core values, tone and manner, and positioning strategies.
- Analyzed client needs and conducted brand audits to propose strategic direction and formulate repositioning strategies for rebranding initiatives.
- Led the strategic development of brand naming, slogans, and key messaging, while managing visual consistency across various touchpoints including campaigns, packaging, digital platforms, and on/offline marketing channels.
- Planned and managed project timelines and milestones, overseeing communication between external clients and internal marketing teams.
- Supervised the quality of design deliverables, provided constructive feedback, and directed the design and execution of presentation materials and production supervision.
- Enhanced team capabilities through mentoring, task delegation, and performance coaching, and drove design quality improvement through regular creative review sessions.
- Continuously optimized collaboration tools and workflows to strengthen teamwork and improve operational efficiency.
